

Furniture and Mattress Cleaning as of March 2016

We currently charge by the “cushion-section.” What this means is that if you have a love-seat, that is two cushion sections. Couches have three, sectionals have more than three. If you have a sectional with a lounge chair, the lounge part is counted as 1.5 sections. We currently charge \$45.00 per cushion section and an extra \$10.00 per section for fiber protector/stain guard. This is for MOST synthetic fibers. If you have a natural fiber piece(s) of furniture that requires something special, this is done on a case-by-case basis. Call for a free inspection of your furniture, so that we can give you accurate pricing.

Mattress pricing is currently set at \$125.00 per mattress. This includes the top, bottom and sides. If the mattress is extremely soiled it will be more!

Kitchen chairs are usually \$10.00 each for the seat portion and \$5.00 for the back(if applicable).
