

Tile, Stone and Grout Pricing as of July 2013

Hard surface cleaning for most residential surfaces, STARTS at \$1.25/SQ. FT. This is for cleaning only. If your hard surfaces have been sealed, we will most likely strip off the old sealer during the cleaning process, and new sealer will need to be applied after it dries. We can provide you with new sealer. If you wish to have this done, it costs an additional \$0.50 / SQ. FT. If you wish to do it yourself, have at it! Stripping wax off of linoleum and VCT tiles are done on a case by case basis.
