

# **Property Managers/Renters/Move-ins/outs**

**As of July 2013**

We have not in the past offered discounts to renters and new move-ins/outs. This new offering is currently done on a case-by-case basis. We cannot give you pricing over the phone, we have to come out and measure the job in order to give you an accurate price.

All property managers are offered a reduced rate, please call for a free measuring/price quote.

Thanks
